

Unnamed Rock Tributary, Carbon Cliff, IL - CAP Section 205

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG ®

Location

NONE PROVIDED

State(s)

IL

Congressional District(s)

IL-17

Status

The Study is awaiting new start funding.

Description

The City of Carbon Cliff has requested assistance in determining if there are any flood risk management measures that could be implemented to mitigate future flood damages. The City has experienced flood flash flooding events causing damages in residential neighborhoods from a creek that dissects the neighborhoods. The City is also located in the Rock River floodplain and experiences flooding from the Rock River.
